

- Shift in content
- Consolidating information
- Plot
 - Synopsis of movie
 - Soundtrack could go in this page instead of having a separate one for it
- Getting rid of the cast page
- Combining production + reception pages
 - Pre-filming
 - How the idea of the film came to be
 - Obstacles faced when trying to make the film
 - During filming
 - Directorial decisions of the film
 - Post filming
 - Reception and accolades
- Site navigation
 - having either the header or the hamburger menu to navigate
 - since we reduced number of pages, I think a header could work
